CCCC Gathering in Antwerp Belgium A Success!

By Holger Kaufhold

What a great time we all had in Antwerp! This CCCC gathering was quite a success.

All of the 18 participants had arrived in Antwerp by May 3rd. Since the weather was beautiful we came together outside on the terrace of the Hotel to have drinks and talk about covers and stamps of course.

Later on we all had dinner together. The Hotel was fully booked so we had to take seats in the restaurant of the Hotel and not in a special room as planned. The meal was special because I decided to offer typical Flemish meals to give anybody a "sense" of my country. Everyone seemed to love the meal since there were no complaints at all. After the dinner we went to a meeting room where I explained the itinerary the following days.

We met briefly that night since on May 4th we would be leaving at 6:23 AM for our train to Essen Germany to visit the International Stamp Fair. Many exhibitors, dealers and postal administrations were there to offer their stamps and other philatelic items. The German Post offered 4 different postmarks. We had 6 hours to spend at the fair to explore and make purchases. Everyone thoroughly enjoyed themselves at the fair! By 10:30 PM that evening we were all back in the Hotel in Antwerp.

On May 5th. we explored Antwerp on foot with a guided sightseeing tour. After the tour we visited the Diamond museum since Antwerp is known as capital of the Diamond industry.

After our amazing journey through Antwerp we came together at the Hotel to talk about the CCCC. A polite and fruitful discussion for all of us! The checkers group was a big subject. Our MD Renate Thompson asked me if I could take over for Ioan Dyer since I already have some experience with the checker group. I agreed and starting this June I will be responsible for the checker reports. I will figure out the best way for all checkers to send me their reports either by e-mail (as attachment, by preference) or by regular mail. Once I have figured out the best method I will let everyone know.

It was also decided to organize the next two CCCC gatherings. Srinu Thevarayan from Malaysia was kind to offer the organization of the next meeting 2009 in Malaysia. Andrzej Kidzinski has offered to organize the 2011 meeting in Poland. We will inform you about this meetings as early possible through the newsletters.

On Sunday May 6th we had planned an excursion to Brussels, the capital of Belgium, but most of the participants had to leave early so we did not go. Charles and Gillian de Buyst from Alseberg (next to Brussels) invited all

participants to have dinner at their house. Only Srini with his wife, David Greaves and I were able to accept their generous offer. The dinner they prepared for us was marvelous and we had a great time there. Thanks again Gillian and Charles!!!

My special thanks goes to all participants of the 2007 meeting in Antwerp. Thanks to Roman and Edward for letting us taste a special Polish drink, thank you Jan for the gifts you brought from Norway. The special Rembrandt sheet given from Guys were highly appreciated. Being stamp and cover collectors makes us all part of the big CCCC family and I am proud to be a member of this family!
