**Checking in with Holger Kaufhold  
Director of statistics & records**

Since becoming the Director of statistics & records of the CCCC in June 2007, I have issued checker reports every 3 months and forwarded them to all active OM's. Last year due to the global economical crises and to try to save postage costs I asked all OM's if they still want to receive my report. Most OM's want and still get them from me.

The checker report is a helpful tool for OM's to see which members are active in order to make it easy to choose CMs to use on their circuits.

I usually receive between 100 and 130 reports in the three months from members of the checker group.

Each checker gets a reward of a cover called "honor covers" from a small or difficult to obtain location. I have a hand full of members who help me in sending honor covers but since

last year I have been sending them myself. Again the reason is due to the global economical crises and many OM's have had to send out less circuits than previous years. While at the moment I can still afford to send the covers I might have to reduce the number of covers I send in the future. I will keep my promise to send each checker an honor cover mainly from small countries in the Caribbean, Indian Ocean or Pacific Ocean area, from African countries and new founded countries like Kosovo.

To become a member of the checker group, you can either e-mail me or send me a letter and I will forward a checker report form.
